Convenient Parking At Liverpool Airport

The undeniable fact that you are on the point of going on a trip shouldn't worry you when talking about [parking at liverpool airport](#). There are various options like the drop and go, short stay or even the long stay. These are based on the time period your car will be parked, the drop and go being the shortest taking around Fifty five minutes ; otherwise you attract additional charges for every minute. The charges also reflect the differences in the options. Parking at Liverpool airport is favored because all of the parking spaces are on site and this means the safety of the cars is top notch.

You don't have to leave the keys to your car and there aren't any transfer bus rides for you to take your trip. The parking at Liverpool airport won the 2009 Vacation Extras Customers award as the best airport auto park. This shows the quality of service you should expect as well as the customer's perspectives about the potency and competence of this car park. Even if you're leaving for a long trip, the rates are not exorbitant. You are expected to pay £17.99 for a day if you book in advance and £30 if you book on the spot. A couple of days will cost £45 while for 15 days, you may pay £115.

In addition, the long stay parking at Liverpool airport hasn't got a height limit. This means you can get space for your auto or lorry regardless of its height. This doesn't constrict the vehicle you can ride in to the airport. It also considers the requirements of the disabled to make sure they get to the terminals simply. There are special areas where they can park their cars whether for long or short stays. For the drop and go rates, there isn't any charge if you park for rather less than 5 minutes. 15 minutes will cost £2 while 35 minutes goes for £6.

Nevertheless it is important look at price changes now and then to bypass the dissatisfaction of arriving at the airport and find that there is a change. Though they won't be extreme and they're going to be communicated through the airport's site, learning about them beforehand will assist in setting the budget. Parking at Liverpool airport also makes it simple for you to find your car when you get back from your trip. You don't need to call anyone or wait for it to be brought to you.
